Experience

Junior PHP Developer

Natmco Solutions - Malappuram, India | OCT 2024 – Present

- Spearheaded optimization of code readability and maintainability by following best practices and consistent coding standards, resulting in cleaner, scalable applications.
- Improved website performance significantly by refining PHP code and integrating more efficient algorithms.
- Collaborated effectively with cross-functional teams using Git for version control, ensuring smooth code management and integration workflows.
- Played a key role in building and deploying a dedicated recruitment website, contributing to a 14% reduction in year-over-year recruitment costs.
- Actively involved in internal process improvement initiatives, helping align development output with company-wide goals and operational efficiency.

MERN Stack Developer Intern

Techzia Solutions - Malappuram, India | OCT 2023 – AUG 2024

- Utilized **Express.js** as middleware to streamline routing and enhance application security and structure.
- Built **robust, scalable web applications** focused on performance and user experience, contributing to increased client satisfaction.
- Implemented **Node.js** for server-side scripting, enabling asynchronous processing and significantly improving application responsiveness and efficiency.
- Collaborated with the development team in an agile environment, contributing to full-stack features and gaining hands-on experience across the MERN stack.

Skills

- **Frontend:** HTML5, CSS3, JavaScript, React.js, Responsive Design, Vite
- **Backend:** Node.js, Express.js, PHP, Laravel
- **Databases:** MongoDB, MySQL
- **Tools:** Git, GitHub, VS Code, Postman
- **Others:** REST APIs, OOP, Debugging, Testing, SQL Integration

Education

Bachelor of Science, Computer Science

University of Calicut, Eranad Knowledge City College of Commerce and Sciences, Manjeri | May 2023 | GPA: 6.0

Higher Secondary, Computer Science

GBHSS, Manjeri | May 2020

Certifications

RPA Developer Course – Diploma of Completion (May 2023)

Issued by UiPath Academy
